Thank you for requesting a copy of the Carers Handbook. We hope you find it helpful in your role as a carer. We welcome your comments and feedback. The next section can be used for comments as well as amendments.

It is intended that this handbook will be updated annually. Should you come across any section that requires amending, we would be grateful if you could both complete and return the section below, or if you prefer, send a photocopy of the appropriate page, with the amendments made.

If you are aware of other agencies that provide assistance or information and which should be included, please let us know.
